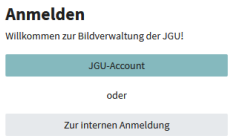
IAW Institut für Altertumswissenschaften

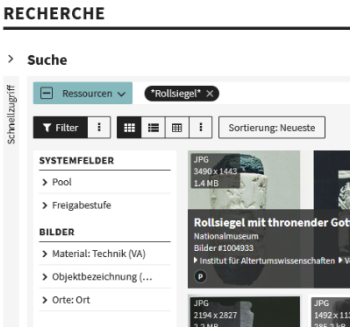
JOHANNES GUTENBERG UNIVERSITÄT MAINZ JG|U

User Manual Images Database Altorientalistik and Vorderasiatische Archäologie: Gutenberg Images

Link: https://images.ub.uni-mainz.de/search

Sign up: click Anmelden on the top right of the page and sign up through your JGU-Account. Access to the data-pool needs to be given separately, please write to bibaltorient@uni-mainz.de or talk to the student assistants!



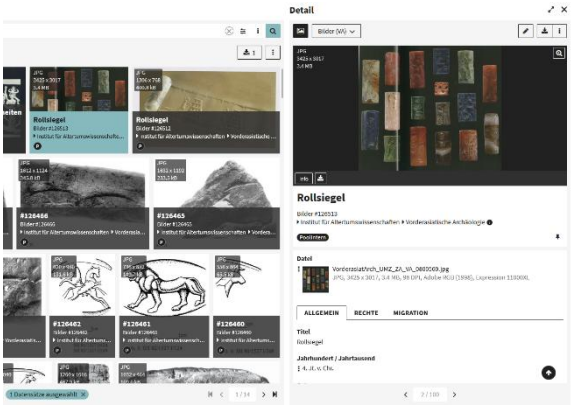


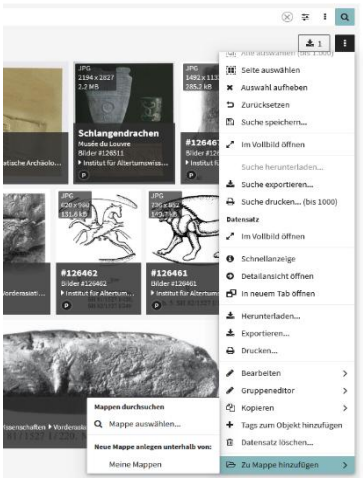
Research: Under Ressourcen please select Institut für Altertumswissenschaften and Vorderasiatische Archäologie. This step will be saved for later searches!

Search: Put your inquiry into the searchbar and wait for a second until the Drop-Down-Menu appears. Complete your search with Enter.

Expert-search: Available on the right-hand side of the searchbar.

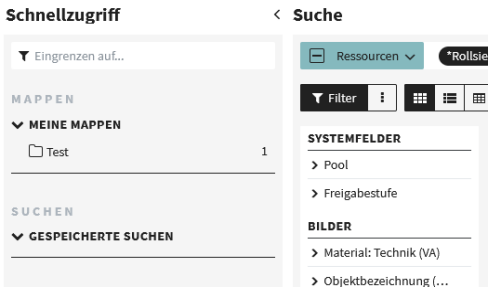
Images: Double-click on the desired image to open the detailpage with further information. There you can download pictures through the menu (three dots to the top right).
While downloading your files you are given the option to download with the further information included.





Creating folders and saving searches: Through the menu on the top right beneath the magnifying glass you can create folders (zu Mappe hinzufügen) to save and download multiple images for your project. Each folder is given an individual name.

Schnellzugriff: With Schnellzugriff (quick access) you can see all your createt folders and saved searches.



Contact: bibaltorient@uni-mainz.de and student assistants of AO and VA
Dr. Letizia Savino (letizia.savino@uni-mainz.de)
